### WHAT IS A SPONSOR?

Basically, a sponsor is a horse's angel. The majority of our horses come from backgrounds of abuse and neglect and are at the very core of what we do here at Reno Rescue. These horses, once broken, lost and hurting, are now doted on by individuals who have been through many similar circumstances, have disabilities, and/or find therapy through their work with these horses.

For the many equines who call this place home, Reno Rescue offers a safe haven, a gentle hand and a life purpose.

Please consider sponsoring one of our beloved rescue horses. By choosing to sponsor, you can further ensure quality care to our horses and a therapeutic opportunity to the many individuals in our community who call this their special place, through directed monthly or one-time donations.

### HOW DOES A SPONSORSHIP WORK?

Sponsors send in a monthly amount or a one-time directed donation via our website's Horse Sponsorship Form. That money is used for rehabilitation and upkeep of the specified horse. Sponsors may help from a distance, or schedule visits to Reno Rescue and enjoy a hands-on relationship with "their" horse if they choose. Such interactions will require the sponsor to sign a volunteer waiver and learn about safety working around/with horses.

There is no set sponsorship fee requirement. Even small donations add up. Though making and keeping a commitment for several months or a year would help us with budgeting, sponsors may contribute any amount they wish and stop sponsoring the horse at any time.

The sponsor is notified if the horse is adopted out. The sponsorship ends then, or the sponsor may choose a different horse. Sponsors receive pictures and updates on the horse's progress and doings.

### SPONSORSHIP BENEFITS

Sponsors benefit by knowing their dollar is supporting a horse of their choice, whether by providing something as simple and vital as food, or by making it possible for a rescued horse to live better and longer. Sponsorship is a great way of having your "own" horse if you can't keep one where you live.

We also love staying connected with those who choose to support the ministry at Reno Rescue through our Horse Sponsorship Program. To show appreciation for this kind gift, each sponsorship will receive a 4x6 picture of your horse, a Reno Rescue hat, and a quarterly update on your sponsored horse.

To become a sponsor, please submit our Horse Sponsorship Form (also available at [www.renorescue.org](http://www.renorescue.org)). We will send you a packet of information about your horse right away, as well as quarterly updates.

Your sponsorship will provide aid for the following:

- Countless hours one-on-one with an individual who can benefit from the therapeutic nature of these rescue horses
- Daily engagement both physically and mentally
- Lots of grooming, baths and carrots
- Daily hay and grain as needed
- Vitamins and supplements as needed
- Regular preventative vaccinations
- Professional farrier trimming and shoeing as needed
- Tack and equipment replacement and repair
